President's Message

Winter is still here but the days are counting down to Opening Day. If you're like me, you can't wait!

There is a genuine sense of optimism and enthusiasm for the upcoming season at the Cornwall Golf and Country Club and the membership's response to our requests for an early commitment have been very encouraging. Our numbers are still ahead of last year but I strongly encourage those of you who haven't committed yet to do so as soon as possible. We also have several new and returning members who've committed for 2010.

The Board has reaffirmed its decision that there will be no last minute adjustments to the fee structure and we are confident we'll see an increase in members for 2010.

The Board is very pleased with the way Lloyd Jollota has taken to his new duties as General Manager. He's like a kid in a candy store and is working very hard to get things in place to make 2010 a success in every regard. I never knew Lloyd and his maintenance crew have a Debbie Travis side to them. I think you will be very impressed with the fresh new look in the Dining Room that Lloyd and Linda Tranchemontagne have come up with. It looks great.

Our new Golf Professional, Carol Anne Campbell, is busy making plans for the Pro Shop and we've heard nothing but positive reviews for the decision to enter into this business arrangement for the 2010 season. Carol Anne will be working closely with Lloyd to ensure your golf experience is a positive one.

One area that has been much discussed over the past couple of years is power cart packages. I'm very pleased to announce that the Board has decided to reintroduce the **one quarter cart fee for 2010**. That should please those of you who regularly use power carts and will encourage even more members to do so. Further details will be forthcoming on that in the next few months.

I hope everyone is in good health and someplace warm. If you have any questions please contact Lloyd or Nancy at the office.

General Manager's Forum

Now that we have entered the month of March we know that it is not too much longer before we are looking at the start of the 2010 season.

I hope that everyone has rested up for what has the makings to be a very busy and enjoyable season, both on and off the course.

For those of you that are still waiting to join I would asked that you consider as soon as possible so we can finalize the season's budget.

On March 17th we are having our St. Paddy's day party and I hope to see everyone there. This will be a great time to help drink away those Winter blues that seem to last forever at this time of the year.

And in the words of Olympic Athletes, I too believe in Gold !!.....or Platinum. Sign up!!

Thank you,

Lloyd Jollota
General Manager
